PUBLIC SAFETY BULLETIN ISSUED AS OF SEPTEMBER 9, 2014

To El Monte Residence and Property Owners:

Please be aware the City of El Monte does **NOT** authorize anyone to solicit private work as an employee or agent representing the City of El Monte. If you have been/are being solicited for any construction work on your property, and the salesperson claims that they represent the City of El Monte as a “**Project Manager**” or anything of this sort, do **NOT** allow such a person to enter your property. These individuals are part of a scam that starts by asking to go into your residence or on to your property to provide an estimate.

For your safety, please do not attempt to take matters in to your own hands. Simply write down any contact information (or obtain a copy of the business card), a description of the person claiming to work on behalf of the City and call the City of El Monte Police Department at (626) 580-2100 to report the information as soon as possible.
