CITY OF EL MONTE HOLDS JOB RECRUITMENT EVENT AT WIN HYUNDAI IN PARTNERSHIP WITH CENTRAL SAN GABRIEL VALLEY WORKSOURCE CENTER

El Monte, Calif. – The City of El Monte hosted a job recruitment event on Thursday, January 13, 2011, at the City's newest dealership, Win Hyundai, located at 3462 Peck Road in El Monte. The event was held from 9:00 a.m. to 1:00 p.m., and was presented in partnership with the Central San Gabriel Valley WorkSource Center (managed by Goodwill Southern California).

"This event marks the first of many the City will undertake this year to bring new business and jobs to the City of El Monte," said Councilman Juventino "J" Gomez. "It also illustrates the aggressive economic redevelopment efforts our City's management team has adopted despite the trying economic times."

Councilwoman Norma Macias agreed. "This is an economic project that produces jobs and directly increases our City's tax base in a time that we need it most," said Councilwoman Macias.

Win Hyundai, which will open its doors for business during the month of January, intends on hiring 40 new employees for the following positions: Sales Consultants, Internet Sales, Technicians, Receptionists, Clerical, Lot Attendants, Parts Counterperson, Finance Manager, and Service and Parts Director.

On-site interviews were conducted at the dealership. Interested applicants were encouraged to bring a current resume and to dress for success. Continental breakfast was provided for applicants.

###

The City of El Monte, located in Southern California, is committed to improving the quality of life for its citizens and strives to provide its community personalized service, uncompromising commitment, and individualized accountability. For information on the City of El Monte, please call 626-580-2001 or visit www.elmonteca.gov.

Central San Gabriel Valley WorkSource Center brings job seekers and employers together in one place. Employers have access to finding candidates and screening prospective employees; job seekers receive assistance preparing resumes, securing interviews and taking classes in retraining or upgrading skills.
